We are investigating a burglary in your area!

You can help to prevent burglary by always remembering to:

✓ Lock doors and windows - Even when you're at home, keep entry points secure

✓ Use timer switches for lights – Make the house look like someone is home

✓ Secure garden tools & ladders – Put things away to stop opportunists

You can also:

✓ Keep valuables out of sight – Move keys, phones or wallets away from windows or doors

✓ Consider extra measures – Have you got alarms, CCTV, or motion-sensor lights?

✓ Join a Neighbourhood Watch scheme – Stay connected with your community to share and receive updates

Occurrence number

Dear Resident,

We regret to inform you that a burglary has recently taken place in your local area. Officers are investigating and we would like your help and support.

Dorset remains one of the safest places in the country. Below is how you can help us keep Dorset safe.

How you can help

- **Please share any information which might help our investigation**
- **Please report anything unusual, such as unfamiliar people, loitering, strange vehicles or suspicious behaviour**

You can find more about the work of Dorset Police and your local team plus information on crime prevention at www.dorset.police.uk

Please contact us with any relevant information.

Thank you for your continued support in making Dorset a safe county for everyone.
